

ONE OF THE MOST
INFLUENTIAL
CONSULTING FIRMS IN THE U.S. DAIRY INDUSTRY

WHO WE ARE

Greg Squires manages DairyES and has consulted in business and financial planning for hundreds of dairy operations in over 30 states. Through this work and a strong background in production management consulting, Greg has cultivated significant relationships with dairy producers and other industry influencers across the U.S.

DAIRY ENTERPRISE SERVICES ASSISTS DAIRY OPERATIONS:

For over a decade, Dairy Enterprise Services (DairyES) has been quietly working alongside some of the best dairy operations in the country. We offer a broad array of highly specialized consulting services for every sector of the dairy industry, including both dairy producers and agribusinesses.

We are a business solutions resource - a business where progressive dairy producers as well as the allied industry can gain answers to modern-day challenges. Our customers have confidence that DairyES will deliver sound information, alternatives and advice needed to proactively manage their businesses.

- Through personalized service designed to help dairy producers meet the challenges of today's business environment
- Develop communication processes and channels integral to building more effective work teams
- Objectively analyze the dairy's business position through our widely respected business model
- Identify relevant and realistic goals as a foundation to developing comprehensive, phased plans for the growth of the business
- Evaluate capital investment alternatives and strategies
- Determine true costs of production
- Establish cash flows, budgets and information systems
- Review internal and external financial benchmarks
- Navigate the often difficult discussions necessary to effectively plan for managerial and operational succession
- Drive efficiency of production
